EDITOR'S NOTES

We have had another terrific year for the St. Andrew's Society of North Carolina. Over 93 members and guests attended our annual St. Andrew's Dinner in Southern Pines the first week of December. It was quite an event. There was the

traditional address to the Haggis by our own Alan Donaldson and the stirring presentation by the Saint Andrew's Pipe Band. In addition, we had an engaging speaker, Dr. Peter Graves. We bestowed honorary member in the Society on Congressman Mike McIntyre, we recognized Hal Hyde for his service as President and honored

NEWS FROM PAST SCHOLARSHIP RECIPIENTS

STRIKE!

David McMullen

Scholarship funds provided by the St. Andrew's Society helped support research associated with the forthcoming biography of Ellen Dawson, the young Scottish woman who was co-director of the infamous 1929 Loray Mill Strike in Gastonia.

Dawson was born into working-class poverty in an industrial village on the outskirts of Glasgow in 1900. She went to work in the local textile mills just as World War I began, witnessing the events of Red Clydeside, the most turbulent period in Scottish labor history.

After the war, Dawson came to America. During the late 1920s she rose to become a prominent labor activist.

Strike! The Radical Insurrections of Ellen Dawson, by David Lee McMullen, will be available in August from the University Press of Florida.

The book may also be ordered at a pre-release discount through Amazon.com.

McMullen was supported by the Society between 2002 and 2004, as he worked toward a doctorate in history at the University of Aberdeen.

Letter to St. Andrew's Society

"I would like to thank the St. Andrew's Society for contributing to my time in Edinburgh, Scotland. I had a marvelous time. It shaped my thinking, attitude, and ambition. I've even applied to graduate school at Edinburgh and would like nothing more to pursue doctorate work there for four years."

2009 DISTINGUISHED SERVICE QUAICh PRESENTED TO TED TAWS

Ted Taws & John Ramsay

"What a surprise and honor to be awarded the Distinguished Service Award at the dinner and I am most appreciative of this recognition by the membership." Ted

EDITORS NOTES CONTINUED:

Ted Taws with a Distinguished Service QuaiCh for his many contributions and years of service to the Society. Ted is a Charter Member of the Society. He was instrumental in establishing our foundation and is a long-time Board Member and Past President of the Society. Congratulations Ted!

Congratulations are also in order for **Bob Collier** who has been elected Chairman of the NC Board of Transportation.

LOCH NORMAN GAMES

We saw both **Bob and Robb Collier** at the Loch Norman Highland Games on April 17th. Other Society members in attendance at Loch Norman were **Ken & Doris McArthur, Brown & Righton McCallum,**

Ches & Faye Crow and Cheslun IV, Steve Quillin, Alan MacIntyre and Bill Caudill. Bill and the St. Andrews Pipe Band won the grade three band competition.

If you have never attended the Loch Norman Games in April, I highly recommend them. The location of the Games on the historic home site of Revolutionary War Patriot Major John Davidson is easy to get to and has convenient parking. For those of you with children or grandchildren, the Games are extremely child-friendly.

GRANDFATHER MOUNTAIN GAMES

The Society will have two tents and lunch on the field. Saturday evening July 10th, we will have dinner at the Blowing Rock Country Club Lake House. Mark

your calendar and plan to join us. We had a record attendance last year and expect a large turnout this July. We will present the 2010 Distinguished Service QuaiCh. Jim Laughridge and Blue Ridge Brass and the Montreat Scottish Pipes and Drums will provide entertainment during the cocktail hour. The band has a new recording entitled "Butterfly & Thistles." The cover on the CD was done by our own **Tom Badger**. I am sure there will be copies available.

We hope to see many of you at all the upcoming events.
